Enclosures:

No. 363-D/43 dated 4th February 1943

Sir,

Subject:- Government Silk Filature Factory, Kollegal - Transport of heavy machinery from Maddur R.S. to Kollegal - Hiring of lorries of the Mysore Government.

1943
4.15 p.m.

The Sericultural Expert, Kollegal, has made arrangements for the hiring of lorries belonging to the Government of Mysore for the purpose of transporting heavy machinery such as boilers, engines, etc., from Maddur Railway Station to Kollegal. This is subject to the Government of Madras paying the Mysore Government the hire charges prescribed by that Government and also the necessary taxes for plying the lorries and trollies within the territory of this Province. I request that the Sericultural Expert, Kollegal, may be permitted to pay the hire charges and the necessary taxes.

2. The petrol and lubricants required for running

from Maddur to the factory site at Kollegal also to be provided for by the Sericultural Expert. The Area Rationing Officer, Coimbatore, who was ~~approached~~ asked to place at the disposal of the Sericultural Expert coupons for 100 gallons of petrol for issuing to any lorry which the Government of Mysore may be in a position to hire out at the moment, has expressed inability to do so in the absence of a prescribed application accompanied by the registration certificates of the lorries. Since arrangements have to be made for the supply of petrol long in advance of any particular lorry being detailed for transporting machinery from Maddur to Kollegal, I suggest that the Sericultural Expert be provided with coupons for 100 gallons of petrol to be used as and when necessary on bona fide Government work. He may also be required to note the registered number of lorry or trolly as the case may be on the coupons when issuing them.
